May *NEWS* from Chamber President Wendy Kernan

Cyber-attacks and data breaches continue to receive media attention; however, the banking industry is still seeing an alarming rate increase of ACH and wire fraud. These payments are used every day in the business world to pay employees, vendors, and day to day bills. Fraudsters are targeting your business and business partners. So, this month I would like to share some tips to safe guard your business assets that you have worked so hard to build.

How to safe guard against ACH & Wire Fraud:

- Initiate dual control on ACH origination and set appropriate dollar limits.
- Implement call back procedures with your accountant.
- Update anti-virus and anti-malware programs regularly and validate firewall settings.
- Do NOT respond to unsolicited emails or click on links (coach your staff continually on this as well).
- Verify vendor wire instructions via phone (How can you be positive it is coming from your vendor with their information?).
- Install separate browsers for online banking OR a separate computer.
- NEVER use automatic log-in features for user names and passwords.
- Talk with you bank about fraud prevention services and monitor and reconcile your account DAILY.
- Hold fraud training for you staff.

Check Fraud (think about every person/vendor you write a check to and the information they have):

- Keep your checks in a secure place where only the authorized signers have access to them.
- Do NOT store your signature stamp (if you use one) with your checks. This should be in a separate secure place.
- Business account only have 24 hours to dispute a fraudulent check. Check your account daily.
- Talk to your bank about sending them a file on pending transactions – checks not in the file are reported to you before they are paid.
-

Hopefully you found these tips helpful and they gave you some things to think about on protection your business.

Sincerely,

Your Chamber President

Wendy G Kernan

Vieweg Real Estate

2018 Business of the Year

Congratulations to Vieweg Real Estate the 2018 Mt. Zion Chamber of Commerce Business of the Year.

Tim Vieweg has worked in the Real Estate business for nearly 30 years. In May of 2014, Tim opened Vieweg Real Estate, focusing on commercial real estate and then adding residential real estate soon after. Vieweg Real Estate has over 40 real estate agents and two offices in Decatur, serving all of Macon County and Central Illinois.

Tim and Lisa Vieweg both grew up in Mt. Zion and have strong ties to the area. Several other Vieweg agents live and work in the Mt. Zion area as well. In 2018, Vieweg Real Estate solidified the #2 spot for total residential market share, and still holds the #1 spot for commercial real estate share in the local market. Vieweg Real Estate is now expanding into the Monticello and Champaign markets and continues to look for ways to grow the business and the services they offer to their clients.
